Support throughout life's journey

Mental well-being support

In-the-moment counseling support — When you need someone to talk to right now, we can help. Call and we'll connect you with a counselor who can help you with in-the-moment support and assistance. We're available 24/7/365.

Counseling sessions for emotional support —

Talking with a counselor can help you manage the issues you're facing. You have access to free and confidential sessions. Choose to see the counselor face-to-face or through televideo.

Confidential help — Our services are confidential. That means if you or a family member calls the toll-free number, neither your employer nor anyone else will know you used the program unless you choose to tell them.

Legal and financial support

You have a free 30-minute consultation with a legal or financial expert. Call us for support with:

- Debt management
- Estate and tax planning
- Credit repair
- Family and elder law
- Mediation
- Identity theft and more

Help with everyday needs

Specialists can help you balance work, life and everything in between. Find solutions for everyday issues, including:

- Child or elder care
- School and college planning
- Caregiver support
- Basic needs and more

Mind Companion Self-care

Access a digital self-paced mental well-being program that provides support anytime. You'll find sessions filled with videos, interactive questions and relaxation exercises to help you manage:

- Stress and anxiety
- Sadness or depression
- Relationship goals and concerns
- Sleep issues
- Work/life balance
- Substance misuse and more

Your member website

Visit your member website to learn about all the resources and services available to you.

Get connected to counseling options, find tools and documents for legal and financial support and access self-help tools. You'll find content to motivate and inspire you:

- Webinars, podcasts and videos
- Self-assessments
- Articles and blogs
- Community resources and more

Visit your member website to get started today.
